The board of Coalinga Union high school at Coalinga, is planning to purchase a twelve-lot site opposite the present buildings to be used as a gymnasium site.

The amusement district at Redondo Beach which has been owned by the Pacific Electric Railway company has been sold to a group of capitalists of Chicago, for \$1,875,000.

More than 5,000 financial leaders of the nation participated in the opening of the fifty-second annual convention of the American Bankers' association in Los Angeles.

Manuel Payal, a native of the Hawaiian Islands, but a resident of Mendocino for 35 years, died at Ukiah last week. He was the father of 24 children, 20 of whom are living.

The Pacific Gas and Electric company, Redding, announced that it had decided to build a filtration plant for Redding at a cost in excess of \$20,000. The company owns the Redding water system.

Thirty-six colleges in California, owing property valued at \$7,811,155 were granted tax exemption for the year as compared to thirty-five colleges with property valued at \$6,937,690 in 1925.

The Presbyterians at Redding, have decided to build a \$2,000 addition to their church to give more room for the Sunday school classes and to provide an office for the pastor. The addition will be 24 by 48 feet.

Graveling of the new state highway between Floriston, Nevada county, and the Nevada state line was finished. Six thousand yards of fine crushed rock have been spread on this seven-mile stretch since August 6.

The West Memorial infirmary at the College of the Pacific, Stockton, was formally opened a short time ago. The infirmary is a gift to the college by Mrs. C. M. Jackson. It cost, fully equipped \$70,000.

The American Rabbit and Cavy Breeders association will hold its national convention this year at Anaheim, December 6 to 11. To insure the success of the show, two southern California rabbit breeders have guaranteed all the expenses.

It will not be long before Los Angeles will be known as the City of Flowers. The splendid exhibits at the Dahlia show demonstrated clearly the immense interest taken in floriculture, and the skill and success of southern California growers.

Directors of the Anderson-Cottonwood Irrigation district at Redding, have fixed the tax rate this year at 8 1/2 per cent, the same rate as last year. The district is in a prosperous financial condition and is paying off \$17,000 worth of bonds every year.

John S. Taylor, 98, Santa Rosa, has been in Nevada City looking up the familiar scenes of 76 years ago, when he was in the gold diggings and while there celebrated California's first admission day. The pioneer endeavored to locate the grave of his old partner.

Orange, situated in the heart of a \$7,000,000 Valencia district, thirty-four miles from Los Angeles, has witnessed substantial development along many lines during the past twelve months. While true that no construction records have been established, building operations have been steady without any boom flurries to disturb land values and then subside.

Estimated to contain 31,080 feet of first grade lumber, one of the most perfect sugar pine trees yet cut rolled into the Tuolumne mill of the Pickering Lumber company on nine flat cars. Measuring nine feet in diameter at the butt, the tree was 226 feet tall. The first limb branched out 102 feet from the ground. The tree was cut into twenty foot lengths for hauling in from camp.

Reports filed by county assessors with the state board of equalization show that the number of California war veterans granted tax exemption greatly increased for the 1926-27 tax year over 1925. Property valued at more than \$78,000,000 and owned by 140,790 ex-service men was placed on the exempt roll for 1926 as compared to \$69,127,986 in property owned by 120,938 veterans in 1925.

TREAS. CONANT DRAWS HIGH SERVICE PRAISE

When those whose business it is to pick flaws in the work of a public official voluntarily praise it, this should be the public's best guarantee of its worth.

Ernest W. Conant, for 20 years treasurer of Santa Clara county and candidate to succeed himself, has not only served the people of the county satisfactorily, but has gained the confidence and approbation of state officials who are in touch with his handling of county finances.

Among these are Charles G. Johnson, state treasurer, who writes: "Ernest Conant has filled the office of county treasurer with marked ability and is recognized by the county treasurers of California as typifying those high standards of character which justify unusual confidence in handling public moneys."

"Ernest Conant has given the best part of his life in the service of Santa Clara county and during his period of such service there has never been a question as to honesty and integrity, and there has never been a question of moral standards. Among men and fraternities he is regarded as a man of high ideals, thoroughly trustworthy and sound in business judgment."

"In my associations with him as state treasurer I personally regard him as one of the ablest county treasurers in California and ranking authority among his colleagues in matters of policy in that branch of government which concerns itself with the handling of county funds."

Ray L. Riley, state controller, whose office is in close contact with those of the counties of the state in an official way, has this to say:

"The office of the controller is in close personal contact with the activities of the several county treasurers throughout the state of California and is in a position to judge the character of the work that is performed by them."

"It is a real pleasure to commend ability at all times, and I want to say that during all of the years that my office has been transacting a very considerable amount of business with Ernest Conant, Santa Clara county treasurer, we have never had occasion to correct his statements a penny's worth—rather an enviable record."

Even Will C. Wood, state superintendent of public instruction, in a personal letter says:

"You certainly deserve to win. Our relations with your office have been most pleasant and we have found you very thorough and efficient in your work. I shall be very happy indeed to speak to friends of mine in Santa Clara county in your behalf. Don't be lulled to sleep now on, but get busy. Many a man has lost his fight because his friends thought he had a cinch. As a matter of fact, I know of at least two governors who failed of re-election for some such reason."

People of Santa Clara County are aware of Ernest Conant's fine record of service in the county treasurer's office. It is gratifying, however, to know that public officials of the state know and share the high regard and confidence he has earned during his public service of 20 years.

WEDDING ANNIVERSARY

The fifty-sixth wedding anniversary of Mr. and Mrs. W. C. McCaughey was celebrated Wednesday at the home of their daughter, Mrs. T. A. Robinson at noon. Beside the honor guests and the Robinson family there were at the dinner, Mr. and Mrs. J. W. Hook of Los Gatos, a son, W. G. McCaughey and wife, and a son, Ben L. McCaughey.

This loveable old couple who were married in Millersburg, O., are extended the hearty congratulations of their many friends of the community.

SCHOOL BOYS REPORT ON CAMPBELL WATER

Mrs. Weis, District Nurse, appointed two eighth grade boys of the Cambrian School to investigate the water supply of the school.

Shega Sakaguchi and Johnny Stojanovich interviewed an official of the company and made the following report to Mrs. Weis and the room:

The water supply of the Campbell water district is pumped from wells four hundred thirty-eight feet deep. It comes into casings through perforations in the pipe at the water bearing strata.

No Chlorine or other process is used to purify the water as the filtration through the deep gravel strata keeps it pure.

The State Board of Health analysed the water and approves it for domestic use.

The water is distributed to patrons from elevated tanks by a pressure pump recently installed which gives Campbell a water supply of more than twice enough to fill its needs.

At the conclusion of the report the pupils of the Cambrian School felt grateful not only for the pure and plentiful water supply with which the school is furnished.

COMMUNITY CHEST

The Campbell Community Council has organized for the approaching Community Chest drive with F. H. Cutting as president, William Copeland vice president, Mrs. Lillie F. Shaw, secretary, and Mrs. Janice Baugh Bohnette as financial secretary.

The budget for 1926 has been set at \$2800, and funds have been provided for the Boy Scouts, the Girl Scouts, the library and the Relief Committee.

M. E. EPISCOPAL CHURCH W. C. Robins, Pastor.

The Church is your friend. It will do you good and not evil. A new preacher in the pulpit, a new pastor will presently call at your door and meet you on the street. We invite your co-operation in making the Church a safe guard to young life and a great helpful fellowship hall.

October is Rally month. Come one and all. Services at 9:45 for Sunday School. Preaching at 11 and 7:30. Prayer meeting on Wednesday nights.

William Blagdon, who recently arrived here from "way back in Maine," with his family is building his new home in the recently opened residence tract of North 3rd street. The Water Company has just extended the water main up this street to supply this new section.

A scientific study of windbreaks is to be conducted in the windy areas of San Bernardino county under the direction of Farm Adviser H. J. Wilder and Woodbridge Metcalf, extension forester of the State College of Agriculture. In order to measure the effect of well developed windbreaks on the velocity of winds within an orange grove that is protected by a "break," an anemometer has been placed in a Fontana grove, where A. B. Miller, developer of that district, has already secured some excellent data. This, it is believed, will be of great value to citrus growers.

CONG. FREE SPEAKS AT CAMPBELL KIWANIS

Congressman Arthur Free was the speaker at Campbell Kiwanis luncheon Wednesday, Ralph Hyde acting as chairman. H. C. Smith sang two numbers the balance of the time being given the speaker.

Mr. Free stated that his district, extending from San Francisco limits to Los Angeles limits is the richest diversified district in the United States and instead of representing 200,000 according to the congressional apportionment he represents nearly twice that number. When the apportionment is readjusted California will be entitled to 3 or 4 more congressmen and some of the eastern states may have less. He gave a most interesting talk on the forming of committees and rules in the House.

He is now second from the top in the Merchant Marine and Fisheries committee and holds enviable positions on the immigration, radio and election committees. This last named will have charge of legislation regulating the election of the president and congressmen and plans are being made to do away with the so-called "lame duck" congressman because of the present system.

He then gave an enlightening detailed account of the progress of a house bill from beginning to its end which was much enjoyed by all present.

An effort will later be made to secure Mr. Free for a talk on other interesting congressional subjects.

At the business meeting Dr. Walt Merrill was elected vice president of the Club.

DIST. C E CONVENTION

The annual convention of the Christian Endeavor society, Santa Clara district, will be held at the First Presbyterian church, Mountain View, today, Oct. 15, Saturday and Sunday, Oct. 16 and 17. The district includes Santa Clara, San Benito and San Mateo counties, and it is expected that half-a-thousand Endeavorers will attend.

All sessions will be held at the First Presbyterian church. Miss Dorothy Merriam, Campbell, president of the district, will preside during meetings. A picnic will be held at Kendall Saturday, followed by the annual banquet at the church that evening.

A number of the state officers will be present and give addresses, and other well known speakers, among them Paul C. Brown, Pacific Coastfield, secretary of the society. Dr. L. A. McAfee will speak this evening, Rev. Howard McConnell tomorrow evening, Rev. Dodge, Sunday evening, Hon. T. M. Wright will speak Sunday afternoon on "The Church Behind the Government." The young people of the Congregational church are making plans to attend.

The Public is cordially invited to attend the regular meeting of the High School P. T. A., Tuesday evening, Oct. 19 at the high school building. Walter Nichols of Palo Alto will be the speaker of the evening.

The Congregational choir organization elected new officers at its meeting Saturday evening. They are President, T. A. Cutting; Vice Pres. Mrs. Eva Grat-tan; Choir Mother, Mrs. H. S. Young; Librarian, Lucius Buck; Secretary-Treasurer, F. H. Cutting.

Mrs. D. H. Cramer underwent an operation at O'Connor sanitarium Tuesday and is reported doing nicely.

The host of interested friends will be pleased to hear that Ira Abbott is on the mend and may come home within a short time.

CHAMBER PLANS FOR PRUNE WEEK

Pres. S. N. Hedegard came home from the Colusa rice ranch long enough to call Chamber of Commerce to order Monday evening.

At the suggestion of J. F. Wehmeyer the Chamber will plant eucalyptus and black walnut trees at the creek park near the bridge.

Prune Week has been set for the last of November and Secretary Farley of the special consolidated committee stated that 20,000 5-lb boxes would be ready about November 1. These prunes will be packed in California redwood boxes and will sell for 60c.

Plans for a mass meeting were authorized that a speaker might come and enlighten the voters on the amendments to be voted on Nov. 2.

C. H. Whitman asked that more parking space be provided and the matter was referred to the Commercial Committee. Mr. Whitman, C. B. Fields and H. Lea.

It was voted to ask the Southern Pacific to place an electric wig wag signal at Hamilton avenue crossing because of the increased traffic over this road since the paving.

The Secretary was authorized to write our national representatives urging their support to the measure naming the new street in Washington, D. C., California Avenue.

New Booster Arrives

Mrs. Eugene Fletcher and son, Philip arrived home Saturday from their business trip to South Dakota. Hugh Nelson, brother of Mrs. Fletcher, and family accompanied them here and are delighted with this section of California. Mr. Nelson has established a veritable publicity bureau sending back most favorable reports. He asked ye Editor if the people here realized what a paradise they were living in. Mr. Nelson is a plasterer and cement man and considerable experience and is hoping to locate in or near Campbell. He just doesn't want to go back, it's so fine here, so let's keep him.

Mrs. Jas. Burns and Mrs. Wm. Walton, who have been enjoying several weeks visit with relatives in Oregon are expected home Sunday.

GRANGE ENJOYS VARIED PROGRAM

On Sept. 28 the grange held its usual meeting, but your scribe failed to get in his report.

The beautiful ceremony of draping the charter in remembrance of our departed brother Ralston Alison was observed amid profound silence.

Miss Jennie Bird Loveless, one of our county school teachers, was obligated in the first and second degrees.

Mr. Ross of Morgan Hill grange sang, "There's a Wee Hoose Mang the Heather," "Mother Machree" and "Roamin in the Gloamin" in close imitation of Harry Lander. Also played "Old Black Joe," "Annie Laurie" and several other old familiar pieces on the accordion all of which was done in the most pleasing manner.

Mr. Hedegard spoke on the 1c gas tax, advocating it, and saying "let us pay as we go and stop issuing bonds."

At the last meeting *of the grange Tuesday evening, Mr. Anderson reviewed some of the amendments and laws to be voted on at the coming election. He opposed the gas tax which stirred up some discussion, many taking the stand that it was the best way to raise funds for road building and repairs.

Miss Irene Gilson gave two beautiful selections on the violin accompanied by Miss Myrtle Arnot. Miss Williams of San Jose Teachers College, sang sweetly three selections, A Lullaby, "Hush My Baby," "To His Roses," and "The Cook's Clock."

Mr. Frank E. Corey, one of our most accomplished violinists gave several selections accompanied by Miss Wright of San Jose. Altogether being one of the most enjoyable programs the grange has listened to for a long time.

Mrs. Alma Corey, Mr. Corey, and Miss Jennie B. Loveless were obligated in third and fourth degrees preparatory to the state grange which meets Oct. 19, and following days of the week at Scottish Rites Temple, San Jose at 11 o'clock a. m. All fourth degree members should attend.

They do not have to take higher degrees to attend, as all meetings are open to fourth degree members except when the fifth and sixth degrees are being put on. The Scottish Rite Temple is said to be well worth seeing itself. Stanley Smith in speaking of orchard management recommended white washing the trunks of orchard trees especially the younger ones, to prevent sun scald, also favored the growing of burr clover, mellalotis and other green crops to plow under.

Mr. Bone, master of Pomona spoke on the State grange meeting and arrangements.

Mrs. Ida M. Clendening our state lecturer, will have Wednesday evening from 7:30 to 9 o'clock. We are promised one of the most enjoyable programs, and the Lecturers Hour will be open to the public.

Thursday afternoon there will be an auto trip around the valley, stopping at Stanford for organ recital at 4 p. m.

The beautiful degree team work of the fifth and sixth degrees will also be put on Thursday afternoon.

Mr. Stanley Smith in speaking of the recent purchase of a Third street north complimented third street north complimented the county supervisors very highly and especially praised our district supervisor Mr. J. P. Martin for the aid he gave in the matter.

National Picture Week is being observed throughout the United States by clubs, school museums and libraries. The object of the week, which is in reality several days over, extending from Oct. 10 to 20th, is to bring the attention of the public to the cultural and educational value of good pictures in the home.

Anderson Valley, Mendocino county,
nestling under protecting hills which,
while providing just enough coolness
to properly retain moisture in the
fruit, never allows blistering, and
which section produces some of the
finest apples in California, is going
to hold its first Annual Apple Show
and Fair next month. Every farm
center in Mendocino county is to have
an exhibit at the fair and as a land-
scape of 5,000 is looked forward to.

Announcement was made a few
time ago that plans for a new struc-
ture for a new building, to be
erected at Redondo Beach. The
structure will cost between \$100,000
and \$100,000, depending upon the
figures of construction. The structure
it was planned out for a new house
all located on the beach.

In spite of the fact that 7,000
of measles have been reported in Cal-
ifornia for the past several months,
with 50 deaths, the state board of
1925, officials of the state board of
health, declared the situation was al-
arming. Most of the cases are in
the coast counties from San Luis
Obispo north to San Francisco.

Theodore Chapman Fox, Civil War
veteran, who died at the Yountville
veterans home, on September 21, was
revealed as a hero of the great Chi-
cago fire of 1871. In that conflagra-
tion, he risked his life many times
carrying persons to safety from the
flames and afterwards was highly
lauded for his brave deeds.

Deep cultivation of cabbage cuts

the five-year period ending December,
1925.

Records and accounts are as im-
portant on a farm as they are in a
wholesale grocery business. Are you
keeping a set of accounts?

The peak of the huckleberry season
in Mendocino has been reached. Ship-
ments from the county of the berries
has averaged fifty boxes a day.

Estimates place the value of Tulare
county's peach crop at \$2,000,000,
making 1925 the best peach season the
county has had for several years.

Cotton and alfalfa lead all other ag-
ricultural crops in Kern county from
point of view of acreage. Cotton is
planted on 35,000 acres; alfalfa on
30,800.

Dinuba's fourth annual Dog, Pigeon
and Poultry show will be held at Di-
nuba, October 28 to 30, preceding a
similar event to be given at Visalia
November 18 to 20.

Due to warm weather during the
ripening stage of "Baby" Lima beans,
the San Fernando valley crop will
be slightly under previous estimates,
according to J. H. Walters, secretary
of the Lima Bean Growers association.

What is believed to be the largest
single acreage of lima beans in Los
Angeles county is planned at the Pas-
adena city farm near Alhambra, for
next season. Bert M. Bougher, su-
perintendent of the farm, announces
that 260 acres is to be given over to
this crop.

The condition of the celery crop in
the San Joaquin delta is good and
slightly better than it was this time
last year. A wilt, thought to be a
fusarium, is doing some damage to
the crop, but so far has made little
headway. Harvest will probably start
October 20.

According to the United States bu-
reau of census, Tulare county stands
third in orange, second in grapefruit
and eighth in lemon acreage in Cal-
ifornia. In Tulare county, according
to the bureau there are 2,797,000
orange, 54,774 grapefruit and 106,564
lemon trees.

The Ladies Guild of the Congregational church are planning another of their popular suppers to be held November 5. Save the date and bring your appetite. The public is invited.

Elgin C. Hurlburt, brother-in-law of J. D. Blaine and one time resident of Campbell has been appointed a member of the board of trustees of Pacific Grove, to fill a vacancy.

Mrs. F. V. Perrott and daughter Katherine returned last week from a visit of several months in England. They were accompanied by Mr. Perrott, who met them in New York.

High School Notes

There was some discussion at the Monday student body meeting as to whether the Freshman reception should be a masquerade or a "plain clothes" party. The latter idea finally prevailed, but after the voting was all over, a group of Sophomore girls were heard bemoaning the fact that due to a misunderstanding of the motion they had all voted against what they really wanted.

President Gardner issued a call for corn stalks and pumpkins for decorations. If there is a shortage in these lines, how would a few broomsticks and witches do?

Mr. Cutting announced that H. C. Smith of the Campbell Press would issue lead pencil prizes each week for the best news items submitted for the High School notes. Manuscripts must be neat and legible, but need not be typed. There were not enough manuscripts received the first week to earn all the pencils, but it is believed that more students will compete the coming week, not alone for the prizes offered, but for the valuable training in practical journalism.

All students who submitted manuscripts this week will receive orders from Mr. Cutting on H. C. Smith's stationery department for pencils, since all are winners.

GIRLS' ATHLETIC LEAGUE

The Girls' League has held several meetings during the past four weeks. Louise Freitas was appointed yell leader, and plans are being discussed for an assistant.

The League is planning a stunt for the Freshman Reception, the committee in charge being Miss Jenkins, Elsie Merrill, Antoinette Zillmer, and Helen Allison.

Miss Howes and President Ruth Townsend are working out a point system which they hope will create a spirit of healthy rivalry among the girls.

ATHLETICS

In a meeting of the Boy's Athletic Club it was announced that Stephen Merrill has been appointed business manager for the Club. Plans are being made for a paper drive during the last of this week. A committee to decide upon the date of a Boy's Jynx has been appointed. There will be a basketball game between Campbell and Gilroy, 110 and 120 pound teams, Friday night, October 15, at Gilroy. Both the 110 and 120 pound teams defeated Morgan Hill last Friday at home.

W. J. Rice

W. J. Rice, one of Campbell's highly respected elderly citizens passed away at his home Wednesday, at the age of 88. He was a native of New York.

At the age of 20 he was married and moved to Wisconsin. He served three years in the Union army in the 30th Regiment Wisconsin Infantry. After the war he engaged in farming in Wisconsin, but later moved to Tennessee, where he engaged in an extensive wholesale and retail lumber business.

On retiring in 1910 he moved to Campbell, Calif., where he has since resided with his daughter, Miss Zadie, his wife passing away about twenty years ago.

He is survived by two sons, William of Nebraska, Arthur of Campbell, three daughters, Mrs. Frances Moore of Tennessee, Mrs. G. T. Schmitz, of Ohio and Miss Zadie, grandchildren, Mrs. Ed Steers, Will A. Green, Lois, Arthur, Clara and Herman Rice, all of Campbell.

Funeral services will be held from the late residence on Los Gatos road, tomorrow (Saturday) at 2 o'clock, under the auspices of Morning Light Lodge I. O. O. F. Interment at Los Gatos Cemetery.

Born: to Mr. and Mrs. Fred Heinzen a son, Saturday, Oct. 9.

Mrs. H. C. Smith is improving from her recent illness and hopes to be out next week.

Govt. Weather-man Righter reported that the rainfall Saturday at Campbell to be .85 of an inch.

The J. F. Duncan and C. B. Miracle families came home from Tahoe Friday. Mr. and Mrs. Duncan stopping at Crockett for a day with Mr. and Mrs. Edw. Parker.

Geo. Burrows, L. M. Beall, Ed Genasci, H. C. McVea and Walt Smiley went fishing at Point Lobos last week-end. Bun luck, too much water, from both below and above.

Mr. and Mrs. Earl Gard arrived home yesterday from their vacation trip through the south. They report the best time ever and really lagged coming home-ward where they knew work awaited them.

The Campbell Fire Company advises householders to see that chimneys and pipes are cleaned and in good condition before the winter fires are started, as chimney fires and defective flues are the cause of many fire losses.

About the busiest and fastest moving person in Campbell this past week was G. M. Perry, the new Chevrolet Dealer who seems to be everywhere and anywhere, going all the time. Perry looks like a real live wire and has made many friends already.

The war veterans at the government hospital at Livermore were the happy recipients of two truck loads of homemade jams and jellies, composed of over 3,000 glasses. The Women's Auxiliary of the American Legion Post, No. 9, of Alameda conducted the collection and sent them to the hospital.

At the Student Body meeting held last Monday Miss Howes gave the report of the entertainment committee for the annual Freshman reception on Saturday night October 16, at the High School Gym. She stated that each class would be expected to put on a short stunt. A basketball game between the 120 and 130 pound teams will add to the entertainment.

At the last meeting of the supreme council the matter of selecting an editor and business manager for this year's Oriole was brought up and will be settled in the near future. Mr. Cutting has been appointed faculty advisor for the annual this year.
